The individual competition for prizes received after this hour. includes, under composition, stories by children under 12 years of age, language work of any form by children under 15 years of age, and a variety of literary work for older students. Under history there are subdivisions of local, American, European and miscellaneous. Permanship has several subdivisions as has drawing, industrial training an nature study. Each student competing must pay twenty-five cents for a certificate entitling him to enrollment, which is the only fee charged for space for such entry. The prizes for this work will be one gold, two silver and four b.onze medals to each class con-peling under each division of each subject. Pennants will be awarded in addition to the diplomas for collective exhibits to the best state, to the best county exhibits and 32 classes of collective work from schools.
