 Annual meeting of the Art Department.
 Election of officers for the ensuing year.

The department of the Woman's Club devoted to Domestic Economy met with Mrs. Gund, South Twenty-seventh street, on Monday afternoon. The officers appointed for the year were: Mrs. Milton Scott, leader; Mrs. Gund, assistant leader; Mrs. Guy Brown, secretary. The afternoon was spent in discussing the comprehensive outline of work which had been prepared by the leader, who had extended the scope of the work beyond the usual limits of this department.

The next meeting will be with Mrs. Scott on November 1st, when a paper upon "Foods, Their Value and Properties," will be read by Mrs. Abbott, followed by practical demonstrations.

The Century Club met with Mrs. Milton Scott, 221 South Twenty-seventh street on Tuesday afternoon to continue their study of Italy. A brief account of the history and government of that part of Northern Italy included in the ancient kingdom of Lombardy, was given by Miss Miller, which was followed by a history of the University of Padua, from Mrs. M. H. Garten. Mrs. Winger gave the paper of the afternoon, an interesting description of Milan and Verona with their treasures of art.

 You are quite safe in doing this because our service from Chicago, Peoria, St. Louis, and Kansas City, in fact all eastern, southeastern and southern cities is just as good as our service to those points. And that, as everyone who is acquainted with it will testify, is the best there is.
