The History and Art club of Seward, that was held for three days and eve- sicn fee was ten cents for large and ceeds of the entertainment will go to the has been too busy to report itself, hav- nings. The town was divided in two dir- small. The hell was one hundred and public library and to secure art pictures icg just closed a successful Art Loan, tricts and committees visited every home twenty feet long and a platform was for the public schools. Monday after-

fancy work and everything unique, an- an entertainment was given by local Curio exhibit and Chrysanthemum fair for curio pictures, chrysanthemums, raised in the rear end. Each evening noon the city schools were admitted free

tique, interesting and beautiful every old talent. Friday evening the exercises relic and surious thing that could be were by the children from the public found in the city was secured, its history schools, and was an old time school explainly written and attached to the arti- hibition that was heartily appreciated cle with the owners name. It was the by the immense crowd. In the afteraim of the club to get something from noons refreshments were served by the every family in town if possible, so that ladies of the History and Art, dressed in the whole city might feel a personal in Colonial costume; and they were an interest in the entertainment, and they teresting looking club with white powsucceeded surprisingly. It was a dered hair, white caps and the white World's Fair in miniature. The admis- Martha Washington kerchief. The pro-
