#### Object of Sale

Our object in this sale is to successfully close out from our stock every heavy weight garment, every vest, every fall and winter Furnishing goods and to sell clean to the shelves all our fall 1897 Hats and Caps in order to make the much needed room for our tremendous Spring Stock, which will soon be coming in, besides putting us on a basis where we will be able to show you an entirely new stock next fall. For example, in our great Clearing Sale last July and August we so successfully closed out our Spring and Summer Clothing, Hats and Furnishing Goods that when the time comes we can truthfully say our stock is absolutely new. We know the people will appreciate our efforts. We know the people will be greatly benefitted by taking advantage of this, the greatest bona fide discount on perfectly seasonable and absolutely up-to-date merchandise, ever offered.

#### A Word of Caution

There are many unscrupulous merchants who will endeavor to imitate our genuine sale by throwing out disgracefully flashy hand-bills and loud sounding "adds" in the papers. We wish to assure our friends that these men have no resources beyond their power of copying and imitating. Ours is a genuine cut price sale inaugurated for reasons not only honorable but in strict keeping with business prudence. If you but once understand the fullness of our determination not to carry over one single item of our winter stock to another season you will then understand the force of this all conquering cut price sale.

#### YOU ARE PERSONALLY INVITED

to attend this sale. You shall, we promise, have every courtesy shown you whether you wish to buy or not. All we ask is for you and your friends to come.
