

VAL SALE!

On or about July 1st we expect to move into our new store which is being erected at Nos. 1221, 1223, 1225 and 1227 O street. The time being exceedingly short we are forced to inaugurate this sale which practically involves our entire fine stock of

\$75,000.00 WORTH

... OF ...

MENS', BOYS' AND CHILDREN'S CLOTHING, Hats and Furnishing Goods.

We have started this sale with a determination to sweep from our counters every vestige of Spring and Summer Goods. We have, therefore, gone over the whole stock with great care and deliberation, and have marked each and every article at a price so that whatever you select will be a huge bargain in itself. We have never known of a sale that was as far reaching or of such widespread benefit as this sale certainly will be, for the reason that in this particular sale there will be none but worthy and fine goods involved.

The Stock Must Be Sold Before We Move

If you do not secure your share, it certainly will be given to some one else. We have done our part, having laid bare the greatest opportunity for money saving ever known. All we ask is for our friends to carry away the merchandise, while we stand by and shoulder the heaviest losses ever sustained by us during our business history.

DURING THE SALE there shall be no change made in our business policy, every privilege heretofore granted will be as freely granted again. You shall have the right to exchange goods. You shall have the right to return unsatisfactory purchases and have your money returned, and we promise you there shall not be any "Jew business" on our part; no marking up and then down. Neither shall there be any "dark cabinet work." You shall see what you get, and get what you select. One thing more: every item mentioned in this advertisement shall be produced at the store at the exact price named, and we promise that there shall not be any disappointments or regrets on the part of those who attend this sale. No one will appreciate our liberal offer more than our regular customers, who know our goods and prices, and we urge them to make a speedy investigation into the real merits of this sale in order that they may advise their friends and neighbors of the good things in waiting for them.
