KING'S CRUELTY CAUSES A SCANDAL

Because of his cruelty to his two daughters, both of whom he has disowned, King Leopold of Belgium is now one of the most unpopular monarchs that ever sat upon a Belgian throne. Talk of the overthrow of his dynasty and the institution of a republic are again in the air. Above are the latest photographs of the two beautiful princesses, who have mourned the severe displeasure of their royal parent.

with pointed back and front. About the feet was a full four-inch flounce of the wave lace. The bodice was formed almost entirely of pearls and lace, with a little satin applique in roses or leaves here and there. The sleeves were simply drooping strands of pearls, falling only half-way to the elbow, and met by long lace gloves.
 Another attractive gown was a white taffeta in combination with white cloth: both materials appearing only in the form of tucks.
 A beautiful hat, of old-fashioned poke-bonnet style, was a feature of the costume. It had a long white plume falling over the left side nearly to the shoulder, and a long white scarf pendant from the back.
 There seems to be a tendency to revive the three-flounced skirt. I have noticed several tall women wearing them of late. They are pretty but very trying.
 Everything looks promising for a

season of charming styles, and welcome innovations.
 There is such a wide choice in fabrics and modes that anyone with an iota of good taste can manage to look well. There will, moreover, be such quantities of work on the gowns that modistes have every reason to be grateful.
 It will take them twice as long to produce a confection, and they will be able to charge four times as much.—Lady Modish in Town Topics.
